

TUFF SHIT!

(Rockabilly Vibe)

How it burned when our love was new
Hot cougar with a trick or two
But now she's done and I'm feeling blue
TUFF SHIT!

Bought me a truck, it's a four-wheel-drive
With a capper too and a dog named Clive
She's done and I'm feeling hit
TUFF SHIT!

Tuff shit ... No shit? ... Tuff shit
Tuff shit ... No shit? ... Tuff shit

I did all a man could do
Bought you a house and a Volvo too
But you're done and I'm sick of it
TUFF SHIT!

Tuff shit ... No shit? ... Tuff shit
Tuff shit ... No shit? ... Tuff shit

Guitar solo

Off on the town gonna play around
To get some action if it can be found

Well you're tough and cute and pretty cool
And I want in, but you ain't no fool
So I don't need you at all
TUFF SHIT!

How it burned when our love was new
Hot cougar with a trick or two
But now she's done and I'm feeling blue
TUFF SHIT!

Tuff shit... No shit?... Tuff shit
Tuff shit... No shit?... Tuff shit
Tuff shit... No shit?... Tuff shit
Tuff shit... No shit?... Tuff shit
